Dear [REDACTED]

Sorry to return to this matter, as related to CCN [REDACTED]. I have read IPID's SOPs and taken some advice on the distinction between IPID case files and dockets. The advice I have is that the IPID case file is not equivalent to the docket (I requested both via a PAIA request some weeks ago).

Please can you and [REDACTED] assist me in confirming whether there is a separate IPID case file for CCN [REDACTED], which may contain the report that IPID generated at scene attendance (Form 7 and/or Form 5) and post mortem attendance (Form 6). If you're able to locate the case file, I'd appreciate it if you can send me a copy please.

Best,
Daneel

Good day Mr Knoetze

The docket is equivalent to the IPID's file.

Kind regards
